Material Detail

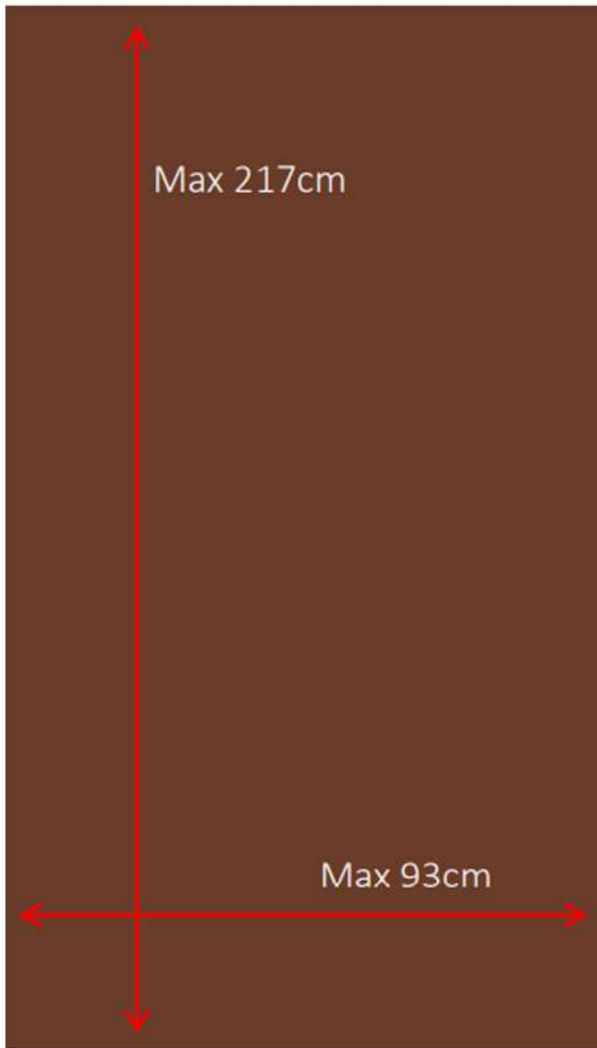

All our doors are built with solid core infill material supported by solid wood frame to enhance the sturdiness of the door and keeping it as lightweight as possible.

Some of the advantages include:

- High Strength
- Water resistant
- Fire resistant
- Sound absorbent

Barn Door Series

Carved Barn Door

Our Japanese Shoji style barn door brings a modern twist to make your door unique. The carving creates an iconic, linear pattern to add an exotic elegance. Pre-primed door slab brings a natural touch to enhance your interior space

Chevron Barn Door

ChevrDoor Dooron design door adds a unique elegance to a variety of home style. All the doors are handcrafted with clean lines to create an iconic diagonal pattern showcasing modern geometric aesthetic.

Barn Door Series

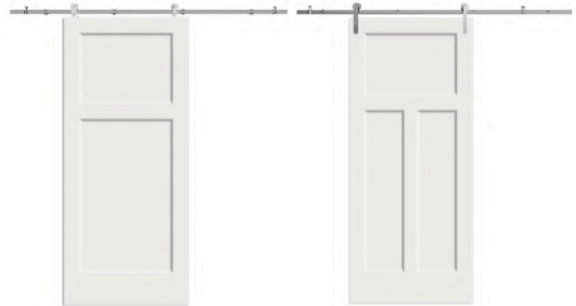

Wood Lami/Clear/Reeded Glass Barn Door

Combining streamlined style with functionality, our glass barn door adds a modern flair to upgrade your interior space. The tempered glass panel is perfect to balance privacy and natural light making your room feel larger and brighter. We offer versatile door designs from full-panel to multiple panels to coordinate beautifully with your room style

Shaker Panel Barn Door

Emphasizing values of simplicity, Shaker style door is popular for its classic craftsmanship, minimalism and functionality. Their square paneling and 90-degree edges provide a clean look and times appeal makes it an excellent choice for homeowners seeking both modern and traditional aesthetic.

Folding Barn Door

Are you having space constraint? Folding barn door reduce the opening angle constraint and still exhibit the rustic look.
